CREATE LOCAL.

We're convinced that the best-tasting food is grown and harvested in ways that are ecologically sound. Furthermore, we believe the best-tasting food is local, grown by people who care for the land so that it bears plenty for this and future generations.

CREATE GREEN.

ZAZA is committed to being a "low-impact," environmentally friendly business. Whenever possible, we buy our ingredients from local farmers who practice sustainable agriculture. We use environmentally safe, non-toxic cleaners. Most of our disposables — such as utensils and cups — are biodegradable and compostable!
